

## HF Reader - Desk Top Reader

OMNIKEY 5321 reader can support multiples HF standards including ISO14443A/B, ISO15693 and iClass.

Using contactless smart card technology for PC-linked through USB interface, the reader allows users to experience the convenience, speed and security of contactless technology for applications including logon network, web sites and applications for the secure storage of user names, passwords and personal information

### Interface

- Frequency: HF (13.56 Mhz)
- Protocol:
  - ISO 14443 Type A and B
  - ISO15693
  - iCLASS standard
- Read range: 5 cm (Max)
- Connectivity: USB

### Physical

- Dimension: 115 x 96.5 x 25.5 mm
- Weight : 160g
- Built-in antenna

### Environment

- Operating temperature: 0 to 55 C
- Operating humidity: 10-90%
- Power supply: Bus powered via USB
- Cable length : 180 cm
- Safety environment: CE, FCC, UL  
RoHS, WEEE
